

#2

PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: Edward P. Cohen Examiner: to be assigned
Serial No.: Unassigned Docket: 10464a
Filed: Herewith Dated: March 10, 2000
For: CANCER IMMUNOTHERAPY WITH
SEMI-ALLOGENEIC CELLS

JC678 U.S. PTO
09/522716
03/10/00

Assistant Commissioner for Patents
Washington, DC 20231

INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, it is requested that the following disclosures, which are also listed on the attached Form PTO-1449, be made of record in the above-identified case.

1. D.L. Shawler et al. (1997) "Gene Therapy Approaches to Enhance Antitumor Immunity" *Advances in Pharmacology* 40: 309-337;
2. T. Boon et al. (1992) "Identification of Tumour Rejection Antigens Recognized By T-Lymphocytes" *Cancer Surveys* 13: 23-37;

CERTIFICATE OF MAILING BY "EXPRESS MAIL"

"Express Mail" Mailing Label Number: EL089369942US
Date of Deposit: March 10, 2000

I hereby certify that this correspondence is being deposited with the United States Postal Service "Express mail Post Office to Addressee" service under 37 C.F.R. §1.10 on the date indicated above and is addressed to the Assistant Commissioner of Patents and Trademarks, Washington, DC 20231.

Dated: March 10, 2000

Michelle Spina

Pursuant to 37 C.F.R. §1.98(d), copies of publications are not provided, for Reference Nos. 1-40, as these references were previously submitted to the Examiner in connection with the parent case, Serial Number 09/016,528 filed on April 30, 1998. Copies of publications are not provided for Reference Nos. 41-48, as these references were previously submitted to the Examiner in connection with the parent case, Serial Number 09/016,528 filed on May 5, 1998. Copies of publications are not provided for Reference Nos. 49-53, as these references were previously submitted to the Examiner in connection with the parent case, Serial Number 09/016,528 filed on October 29, 1998. Applicant is submitting copies of publications for Reference Nos. 54 and 55.

Inasmuch as this Information Disclosure Statement is being submitted in accordance with the schedule set out in 37 C.F.R. §1.97(b), no petition, certification or fee is required.

Consideration of this Information Disclosure Statement is respectfully requested.

Respectfully submitted,
